Continuance of existing Port-dues and Fees for twelve months.

W. MORGAN,

### Legislative Council.

The 16th August 1856.

THE following Bill was read a second time in the Legislative Council on the 16th August 1856, and was referred to a Select Committee who are to report thereon after the 20th of October next:—

*A Bill to consolidate and amend the Law relating to the cultivation of the Poppy and the manufacture of Opium in the Presidency of Fort William in Bengal.*

WHEREAS the existing law relating to the cultivation of the Poppy and the manufacture of Opium on account of Government is in some respects inconsistent with the practice which now obtains under agreement between the Opium Agents and the cultivators, and it is expedient that such inconsistency should be removed; and whereas it is also expedient that certain obsolete Regulations relating to the provision of Opium should be formally repealed, and that the laws for preventing the illicit cultivation of the Poppy, and for regulating the cultivation of the Poppy and the manufacture of Opium on account of Government, should be consolidated and amended: It is enacted as follows :—

I. Regulation XXXII. 1793, Regulation XXXII. 1795, Regulation LIII. 1795, Sections I to XL of Regulation XIII. 1816, and Clauses 1 to 5 Section XVIII and Sections XXIII and XXIV of Regulation VII. 1824, of the Bengal Code, are hereby repealed, except so far as they repeal the whole or

part of any other Regulation, and except as to acts done, offences committed, and liabilities incurred, before the passing of this Act.

II. The cultivation of the Poppy and the manufacture of Opium within the Territories under the Presidency of Fort William in Bengal, except on account of Government, are hereby prohibited.

III. The importation by land, into the said Territories, of Opium the produce or manufacture of any other territories or country, except with the express sanction of Government, is hereby prohibited.

IV. The superintendence of the provision of Opium for Government shall be entrusted to Agents, or other Officers, being Covenanted servants of the Company, duly appointed by Government in that behalf, who shall perform the duties connected therewith under the control and direction of the Board of Revenue. The Agents, or other Officers as aforesaid, shall be assisted by Deputy Agents and Sub-deputy Agents, or such other Officers, Covenanted or Uncovenanted, as the Government may from time to time appoint for the purpose. The Collector of the district shall ordinarily, and unless Government shall otherwise direct, be ex-officio Deputy Agent; and the relative duties and powers of the Deputy Agents and Sub-deputy Agents shall be from time to time regulated by the Board of Revenue with the sanction of Government.

V. The Opium Agents, and their subordinate Officers of every description, are declared amenable to the Civil Courts for all acts done by them in their official capacity, except as otherwise herein provided. But no suit shall be instituted against an Agent, or any subordinate Officer, unless the person who shall consider himself aggrieved by the act of such Agent or Officer shall have first made application for redress to the Agent himself. In the event of such person not being satisfied with the order which the Agent may pass upon his application, it shall then be competent to him either to lay his case by petition before the Board of Revenue, or at once to seek redress in the Civil Court.

VI. The Opium Agents shall not in their official capacity institute any suit in a Civil Court without the previous sanction of the Board of Revenue.

VII. In cases in which the Board of Revenue may judge it expedient, or in which they may be so directed by Government, they may take upon themselves, or entrust to an officer specially appointed for the purpose, the superintendence of the prosecution or defence of any suit or appeal in which they, or an Agent, or any other Officer subordinate to them, may be engaged, instead of leaving such superintendence to the Agent or any other Officer.

VIII. The Board of Revenue, with the sanction of Government, shall from time to time fix the limits within which licenses may be given for the cultivation of the Poppy on account of Government. With the like sanction they shall from time to time fix the price to be paid to the cultivators for the Opium produced. The price shall be fixed at a certain sum per seer of eighty sicca weight for Opium of a certain standard consistence, and shall be subject to a rateable reduction, according to a scale sanctioned by the Board of Revenue, for Opium of a consistence below the standard.

IX. The Sub-deputy Agents, or other Officers entrusted with the superintendence of the cultivation, shall, at the proper period of the year, issue licenses to the cultivators, who may choose to engage to cultivate the Poppy, and to deliver the produce to the Officers of Government at the established rates. Every license shall specify the number of beegahs which the party engages and is authorized to cultivate, and the rate of advance, if any, which he is to receive, and shall be in such form as the Agent, with the sanction of the Board of Revenue, may direct. A counterpart engagement, in conformity with the tenor of the license, shall be taken from the cultivator.

X. It shall be at the option of every cultivator to enter into engagements for the cultivation of the Poppy or not as he may think fit; and it shall be at the option of the Sub-deputy Agent, or other Officer as aforesaid, to withhold a license from any cultivator whenever he may think proper so to do. Any person to whom a license has been refused may appeal to the Agent, and the decision of the Agent shall be final.

XI. Any Sub-deputy Agent or other Officer as aforesaid, or any inferior Officer employed in the provision of Opium, who shall compel, or use any means to compel, any cultivator to enter into engagements, or to receive advances, for the cultivation of the Poppy, shall be liable to be dismissed from his situation. All complaints preferred against Sub-deputy Agents or other Officers as aforesaid may be enquired into by the Agent or referred by him to the Deputy Agent for enquiry and report, and all complaints against inferior Officers shall be enquired into by the Officers to whom they are subordinate.

XII. At the proper period of the year, the Sub-deputy Agent, or other Officer as aforesaid, shall make an estimate of the quantity of Opium which the land engaged for and cultivated with Poppy in his district is likely to produce, and shall forward the same to the

### Legislative Council.

The 16th August 1856.

THE following Bill was read a second time in the Legislative Council on the 16th August 1856, and was referred to a Select Committee who are to report thereon after the 20th of October next :—

*A Bill to consolidate and amend the Law relating to the cultivation of the Poppy and the manufacture of Opium in the Presidency of Fort William in Bengal.*

WHEREAS the existing law relating to the cultivation of the Poppy and the manufacture of Opium on account of Government is in some respects inconsistent with the practice which now obtains under agreement between the Opium Agents and the cultivators, and it is expedient that such inconsistency should be removed ; and whereas it is also expedient that certain obsolete Regulations relating to the provision of Opium should be formally repealed, and that the laws for preventing the illicit cultivation of the Poppy, and for regulating the cultivation of the Poppy and the manufacture of Opium on account of Government, should be consolidated and amended: It is enacted as follows :—

1. Regulation XXXII. 1793, Regulation XXXII. 1795, Regulation LIII. 1795, Sections 1 to XL of Regulation XIII. 1816, and Clauses 1 to 5 Section XVIII and Sections XXIII and XXIV of Regulation VII. 1824, of the Bengal Code, are hereby repealed, except so far as they repeal the whole or

part of any other Regulation, and except as to acts done, offences committed, and liabilities incurred, before the passing of this Act.

**II.** The cultivation of the Poppy and the manufacture of Opium within the Territories under the Presidency of Fort William in Bengal, except on account of Government, are hereby prohibited.

**III.** The importation by land, into the said Territories, of Opium the produce or manufacture of any other territories or country, except with the express sanction of Government, is hereby prohibited.

**IV.** The superintendence of the provision of Opium for Government shall be entrusted to Agents, or other Officers, being Covenanted servants of the Company, duly appointed by Government in that behalf, who shall perform the duties connected therewith under the control and direction of the Board of Revenue. The Agents, or other Officers as aforesaid, shall be assisted by Deputy Agents and Sub-deputy Agents, or such other Officers, Covenanted or Uncovenanted, as the Government may from time to time appoint for the purpose. The Collector of the district shall ordinarily, and unless Government shall otherwise direct, be ex-officio Deputy Agent; and the relative duties and powers of the Deputy Agents and Sub-deputy Agents shall be from time to time regulated by the Board of Revenue with the sanction of Government.

**V.** The Opium Agents, and their subordinate Officers of every description, are declared amenable to the Civil Courts for all acts done by them in their official capacity, except as otherwise herein provided. But no suit shall be instituted against an Agent, or any subordinate Officer, unless the person who shall consider himself aggrieved by the act of such Agent or Officer shall have first made application for redress to the Agent himself. In the event of such person not being satisfied with the order which the Agent may pass upon his application, it shall then be competent to him either to lay his case by petition before the Board of Revenue, or at once to seek redress in the Civil Court.

**VI.** The Opium Agents shall not in their official capacity institute any suit in a Civil Court without the previous sanction of the Board of Revenue.

**VII.** In cases in which the Board of Revenue may judge it expedient, or in which they may be so directed by Government, they may take upon themselves, or entrust to an officer specially appointed for the purpose, the superintendence of the prosecution or defence of any suit or appeal in which they, or an Agent, or any other Officer subordinate to them, may be engaged, instead of leaving such superintendence to the Agent or any other Officer.

**VIII.** The Board of Revenue, with the sanction of Government, shall from time to time fix the limits within which licences may be given for the cultivation of the Poppy on account of Government. With the like sanction they shall from time to time fix the price to be paid to the cultivators for the Opium produced. The price shall be fixed at a certain sum per seer of eighty seven weight for Opium of a certain standard consistence, and shall be subject to a rateable reduction, according to a scale sanctioned by the Board of Revenue, for Opium of a consistence below the standard.

**IX.** The Sub-deputy Agents, or other Officers entrusted with the superintendence of the cultivation, shall, at the proper period of the year, issue licences to the cultivators, who may choose to engage to cultivate the Poppy, and to deliver the produce to the Officers of Government at the established rates. Every licence shall specify the number of beshahs which the party engages and is authorized to cultivate, and the rate of advance, if any, which he is to receive, and shall be in such form as the Agent, with the sanction of the Board of Revenue, may direct. A counterpart engagement, in conformity with the tenor of the licence, shall be taken from the cultivator.

**X.** It shall be at the option of every cultivator to enter into engagements for the cultivation of the Poppy or not as he may think fit; and it shall be at the option of the Sub-deputy Agent, or other Officer as aforesaid, to withhold a licence from any cultivator whenever he may think proper so to do. Any person to whom a licence has been refused may appeal to the Agent, and the decision of the Agent shall be final.

**XI.** Any Sub-deputy Agent or other Officer as aforesaid, or any inferior Officer employed in the provision of Opium, who shall compel, or use any means to compel, any cultivator to enter into engagements, or to receive advances, for the cultivation of the Poppy, shall be liable to be dismissed from his situation. All complaints preferred against Sub-deputy Agents or other Officers as aforesaid may be enquired into by the Agent or referred by him to the Deputy Agent for enquiry and report, and all complaints against inferior Officers shall be enquired into by the Officers to whom they are subordinate.

**XII.** At the proper period of the year, the Sub-deputy Agent, or other Officer as aforesaid, shall make an estimate of the quantity of Opium which the land engaged for and cultivated with Poppy in his district is likely to produce, and shall forward the same to the

Agent for transmission to the Board of Revenue. If, at the time of making such estimate, it shall

aid penalty may be adjudged by the Deputy Agent or Collector, on the complaint of the Sub-deputy Agent or other Officer as aforesaid. Any person dissatisfied with the judgment of the Deputy Agent or Collector may appeal to the Agent, and the decision of the Agent shall be final.

**XIII. All Opium, the produce of land cultivated with Poppy on account**

**Delivery of the Opium produced.**

of Government, shall be delivered by the cultivators to the Sub-deputy Agents or other district Officers, or shall be brought by them to the Sudder factory, as the Agent may direct. And

no such Opium shall be liable to be distrained or attached by a zemindar or other proprietor, or a farmer of land, for the recovery of arrears of rent, or by any other creditor of a cultivator in satisfaction of any debt or decree of Court, but

**Value thereof may be attached.**

the value of such Opium may be attached by order of Court in the hands of the Agent or of the district Officer under the rules in force for such attachments.

**Opium to be weighed and classified by Sub-deputy Agent.**

to the Sub-deputy Agent or other district Officer, shall be weighed, examined, and classified according to its consistence by that Officer, or his assistant if duly authorized by the Agent in that behalf, in the presence of the cultivators and in conformity with rules sanctioned by the Board of Revenue. Any cultivator, who may be

Officers to the Sudder factory, and all Opium delivered at the Sudder factory by the cultivators, shall be there weighed and examined by the Opium Examiner, or other Officer duly authorized in that behalf, agreeably to rules sanctioned by the Board of Revenue. The decision of the Examiner with respect to the consistence and purity of Opium, and to the deductions from or additions to the standard price to be made in accordance with the said rules, shall be final and conclusive, and not open to question in any Court.

Every district Officer shall furnish to the Agent annually, in the month of January, a certificate that all the weights and scales in use in his district have been examined, and are in all respects correct and accurate; and the Agent shall furnish to the Board of Revenue a similar certificate with respect to the weights and scales of the Sudder factory. It shall be the duty of all Officers who may superintend the weighing of Opium, to see that the Opium is weighed fairly with an even beam, and the practice of taking excess weight for the purpose of turning the scale, or as an allowance for dryage and wastage, is hereby prohibited.

**XVIII. The accounts of the cultivators shall**

be adjusted annually by the district Officers as soon after the conclusion of the weighing and examination as possible; and any balance that may remain due from any cultivator, or from any muhto or intermediate manager, may be recovered by distress and sale of the property of the defaulter or of his surety, in the same manner and under the same rules as the property of defaulting cultivators in estates held khas may be distrained and sold by the Collector for the recovery of an arrear of rent or revenue. Provided that no warrant

land, or any farmer of land, shall exact from any ryot, on account of his Poppy land, a higher rate of rent than he is lawfully entitled to demand, the ryot, or the Sub-deputy Agent, or other district Officer on his behalf, may institute a summary suit before

the Collector, and recover from such proprietor or farmer the sum exacted by him in excess of his lawful demand, together with a penalty of treble the amount of such excess; and such suit shall be tried according to the rules prescribed for summary suits relating to arrears or exactions of rent.

**XXI.** Any cultivator entering into engagements for the cultivation of the Poppy on account of Government, who may embezzle, or otherwise illegally dispose of, any part of the Opium produced, shall be liable to a fine not exceeding ten times the fixed price of the Opium which he may be proved to have so disposed of, or to a fine not exceeding five hundred Rupees, if the amount of the said penalty be less than that sum, and the Opium, if found, shall be liable to confiscation.

**XXII.** Any person purchasing or receiving any Opium from a cultivator or other person who may have entered into engagements for the cultivation of the Poppy, or who may be employed in the provision of Opium on account of Government, or bargaining for the purchase of Opium with such cultivator or person, or in any way causing or encouraging such cultivator or person to embezzle or illegally dispose of any Opium, shall be liable to a fine not exceeding Rupees one thousand, unless the Opium purchased, bargained for, or illegally disposed of, shall exceed the weight of 31 seers and a quarter, in which case the fine may be increased, at a rate not exceeding thirty-two Rupees per seer for all such Opium in excess of that weight; and the Opium, if found, shall be liable to confiscation.

**XXIII.** Any person who shall cultivate the Poppy without license from a Sub-deputy Agent or other Officer duly authorized in that behalf, and any person who shall in any way cause, encourage, or promote such illegal cultivation, shall be liable to a fine not exceeding five hundred Rupees, unless the quantity of land so illegally cultivated shall exceed twenty beegahs, in which case the fine may be at the rate of twenty-five Rupees per beegah; and the Poppy plants shall be destroyed, or, if any Opium have been extracted from them, it shall be seized and confiscated. If the Opium shall have been extracted and shall not be seized, the offender shall be liable to a further fine not exceeding the rate of thirty-two Rupees per beegah of land illegally cultivated.

**XXIV.** All proprietors, farmers, tihseeldars, gomashstahs, and other managers of land, shall give immediate information to the Police or Abkaree Darogahs, or to the Magistrates, Collectors, or Officers in charge of the Abkaree mehal, or to the Agents, their Deputies, or Sub-deputies, of all Poppy which may be illegally cultivated within the estate or farm held or managed by them; and every proprietor, farmer, tihseeldar, gomashstah, or other manager of land, who shall knowingly neglect to give such informa-

tion, shall be liable to the penalties for illegal cultivation prescribed in the last preceding Section.

**XXV.** All Police and Abkaree Darogahs, and all Native Officers of Government of whatever description, and all Chowkeydars, Pykes, and other village Police Officers, shall give immediate information to the authority to which they are subordinate when it may come to their knowledge that any land has been illegally cultivated with Poppy; and such authority shall transmit the information to the Sub-deputy Agent, or other Officer superintending the cultivation of the Poppy, if in a district where the Poppy is cultivated on account of Government, or to the Collector or Officer in charge of the Abkaree Mehal, if in a district where the Poppy is not so cultivated. Every Police or Abkaree Darogah, Native Officer, Chowkeydar, or other Police Officer as aforesaid, who shall neglect to give such information, or shall in any respect connive at the illicit cultivation of the Poppy, shall, on conviction before a Magistrate, be liable to a fine not exceeding five hundred Rupees.

**XXVI.** Whenever a Police or Abkaree Darogah shall receive intelligence of any land within his jurisdiction having been illegally cultivated with Poppy, he shall immediately proceed to the spot, and if the information be correct, shall attach the crop so illegally cultivated, and report the same without delay to the authority to which he may be subordinate. He shall at the same time take security from the cultivator of the said land for his appearance before the Officer empowered to take cognizance of the offence; and in the event of such cultivator not giving the required security, he shall send him in custody to the said Officer.

**XXVII.** Proprietors, farmers, tihseeldars, gomashstahs, and other managers of land, shall be at liberty to attach any Poppy grown in opposition to the provisions of this Act in any estate or farm held or managed by them, and shall immediately report such attachment to the nearest Police or Abkaree Darogah, who shall thereupon proceed in conformity with the rules contained in the last preceding Section.

**XXVIII.** Except as otherwise herein provided, all penalties prescribed by this Act for the illicit cultivation of the Poppy or the illegal disposal of Opium, or for any connivance at or participation in such cultivation or disposal, shall be adjudged by the Deputy Agents and Sub-deputy Agents in districts in which the Poppy is cultivated on account of Government, and in other districts by the Collectors or Officers in charge of the Abkaree mehal; and the provisions of Sections LXVII to LXXVII, and Sections LXXXVI and LXXXVII, of Act 1856, shall be applicable to the trial of such cases.

II. All Tobacco (except such small quantities thereof as are hereinafter mentioned) imported from any place into the Town of Bombay, shall be liable to the duty prescribed by the Acts now in force for regulating Customs, which duty is hereinafter called the Customary Duty or Duty of Custom. All Tobacco (except such small quantities thereof as are hereinafter mentioned) imported from any place into the said Town, and intended for consumption therein, shall be liable to an additional duty of seven Rupees and 8 annas per Indian maund, which duty is hereinafter called the Municipal Duty.

**VII.** Sections II, III, IV, and VI of this Act shall not be applicable to Tobacco which may have already paid the duties imposed by this Act, nor to such small quantities of Tobacco (not exceeding ten Indian seers) as the Commissioner of Customs or other competent Officer may at his discretion exempt as being intended for the personal or private consumption of the importer.

**VIII.** The port of Bombay shall, after the passing of this Act, be held to be a warehousing port within the meaning of Act XXV of 1876, so far as regards the warehousing of Tobacco, and the said Act shall be applicable to the warehousing of Tobacco in the said Town; and the Import Duty in the said Act mentioned shall, as to Tobacco, mean the Customary and Municipal Duty leviable under this Act.

**XV.** Every retail dealer in Tobacco shall, on the same day on which he shall receive any Tobacco into any such shop or place of sale, enter in a book to be kept for that purpose, and in proper columns, the weight of such Tobacco, shewing the weight and also the day on which he shall receive the same, and the names of the person or persons from whom, and the place or places from which, he shall receive the same, and every such retail dealer shall keep such book in some public and open part of his licensed premises for the inspection of the Commissioner of Customs, Salt, and Opium, or any other Officer whom he may, by writing signed by him, authorize to enter the premises and inspect the same, and shall deliver such book to any such Officer on

demand, and permit him to make any minute therein, or any extract therefrom, which such Officer shall think fit; and in case any retail dealer shall wilfully neglect to comply with the provisions of Sections XIV and XV of this Act, he shall for every offence forfeit a sum not exceeding two hundred Rupees.

**XVIII.** It shall be lawful for the Commissioner of Customs, Salt, and Opium, or other licensing Officer, or any Officer authorized by him, to enter and search with the like power as in the last Section mentioned, any vessel, boat, or vehicle suspected of containing, and to detain any person suspected of having, any contraband Tobacco, and to seize, take away, and detain the same until the case has been adjudicated as hereinafter provided.

**XIX.** All Tobacco imported into the said Town, or exported thence, or there warehoused, or removed from one place of deposit to another, contrary to the provisions of this Act, or found in the possession of any party in the said Town illegally selling or offering any portion thereof for sale, shall be liable to confiscation to Government, together with every vessel in which it is contained, and every vehicle, vessel, boat, or animal employed with the consent and knowledge of the owner or his servant in conveying or containing the same. Provided always, that it shall be lawful for the adjudicating Officer to mitigate the penalty of confiscation herein provided, by commuting the same to the payment of any fine not exceeding the value of the goods liable to confiscation; and every such fine may be enforced, if necessary, by the sale of the goods liable to confiscation, and shall be paid to Government.

**XX.** Any person, who shall illegally import, export, remove, or sell in the said Town, any Tobacco, or who shall knowingly have in his possession, or shall conceal or

## Legislative Council.

The 23rd August 1856.

THE following Bill was read a second time in the Legislative Council on the 23rd August 1856, and was referred to a Select Committee who are

to report thereon after the 27th of November next:—

*A Bill to amend the Law relating to the duties payable on Tobacco, and the retail sale and warehousing thereof in the Town of Bombay.*

WHEREAS it is expedient to amend the law relating to the duties payable on Tobacco and the retail sale and warehousing of that article in the Town of Bombay. It is hereby enacted as follows:—

I. Chapters V, VI, VII, and VIII of Regulation XXI. 1827 of the Bombay Code, and Act XXIV of 1850, are hereby repealed, but not so as to revive any other Regulation or Act thereby repealed.

II. All Tobacco (except such small quantities thereof as are hereinafter mentioned) imported from any place into the Town of Bombay, shall be liable to the duty prescribed by the Acts now in force for regulating Customs, which duty is hereinafter called the Customary Duty, or Duty of Custom. All Tobacco (except such small quantities thereof as are hereinafter mentioned) imported from any place into the said Town, and intended for consumption therein, shall be liable to an additional duty of seven Rupees and 8 annas per Indian maund, which duty is hereinafter called the Municipal Duty.

III. The said Municipal Duty shall be paid at the option of the importer, either on importation, or after being warehoused as hereinafter mentioned, and no drawback of the said Municipal Duty shall be allowed, unless the Tobacco on which such drawback may be claimed has been warehoused in, and shall be re-exported from, a Bonded Warehouse; in which case a drawback of the whole of such duty shall be allowed, if claimed at the time of exportation.

IV. If the said Municipal Duty is not paid on importation, the Tobacco shall be warehoused in a Bonded Warehouse, and the importer shall pay such duty on the said Tobacco on its removal from the Warehouse for consumption.

V. The Commissioner of Customs, Salt and Opium, and Officers of Customs, shall have all the same powers and authorities for collecting and enforcing payment of the said duties, in addition to the powers and authorities specified in this Act, as they now have or shall have in respect of the duties on any other Customable articles.

VI. It shall not be lawful, without the special permission of the Commissioner of Customs, Salt, and Opium, or other competent Officer, to bring any Tobacco or any preparation thereof into Bombay otherwise than by sea; nor to land the same at any other landing places than such as may from time to time be prescribed by proclamation by the Bombay Government.

VII. Sections II, III, IV, and VI of this Act shall not be applicable to Tobacco which may have already paid the duties imposed by this Act, nor to such small quantities of Tobacco (not exceeding ten Indian seers) as the Commissioner of Customs or other competent Officer may at his discretion exempt as being intended for the personal or private consumption of the importer.

VIII. The port of Bombay shall, after the passing of this Act, be held to be a warehousing port within the meaning of Act XXV of 1836, so far as regards the warehousing of Tobacco, and the said Act shall be applicable to the warehousing of Tobacco in the said Town; and the Import Duty in the said Act mentioned shall, as to Tobacco, mean the Customary and Municipal Duty leviable under this Act.

IX. It shall not be lawful to remove any Tobacco from any place within the said Town to any other place, nor to carry or convey the same on any thoroughfare in the said Town, nor to carry the same in any vessel or boat of less than forty candies burthen in any of the creeks or waters adjacent to the said Town, without a Permit from the Commissioner of Customs, Salt, and Opium, which Permit shall be in the form of Schedule A. to this Act annexed; any such Permit shall be in force only between sunrise and sunset of the day on which it is granted. X. The Commissioner of Customs, Salt, and Opium, shall not grant any Permit for the removal of any Tobacco from the Custom House or from a Bonded Warehouse, unless the quantity to be so removed shall be at least one Indian maund in weight, or any such less quantity as may from time to time be fixed by the Commissioner under instructions from Government; nor shall he grant a Permit for the removal, for re-exportation, of any part of an entire bale or package of Tobacco from a Bonded Warehouse. But, if application be made to remove Tobacco from bond for consumption in Bombay, the Commissioner may permit a bale or package to be opened and the part required to be removed, and the refuse, if any, to be removed and destroyed in the presence of a Government Officer, or exported, at the option of the owner; and the Municipal Duty may be remitted on the refuse so removed and destroyed, or exported.

XI. It shall not be lawful for any person to sell or offer for sale by retail any Tobacco in Bombay without a license for that purpose under the hand and seal of the Commissioner of Customs, Salt, and Opium, or other licensing Officer specially appointed by the Bombay Government, and the license may be in the form of Schedule (B) to this Act annexed, or to the like effect, and shall be in force for a period of twelve Calendar months from the date thereof.

XII. Any sale of Tobacco not exceeding in weight twenty-eight Indian seers, shall be deemed to be a retail sale within the meaning of this Act.

XIII. It shall not be lawful for any licensed retail dealer in Tobacco to carry on the retail sale of the same, or to warehouse or deposit any store of the same, except at premises as may be specified in his license; and the name of every retail dealer in Tobacco, together with the number of his license, shall be written or painted in English, Guzeratti, and Maharatti, in plain and legible characters of not less than one inch in height, on a board to be affixed in a conspicuous manner in the front of the shop or premises where the retail sale of the article aforesaid may be carried on.

XIV. Every retail dealer in Tobacco shall, on or before the tenth day of each month, make to the Commissioner of Customs, Salt, and Opium, or other licensing Officer, a separate return for each shop or place of retail sale, of the quantity of Tobacco which he had on hand at the beginning of the preceding month, and also of the balance remaining in hand at the close of such month, and he shall in like manner and at the same time produce and give to the Commissioner of Customs, Salt, and Opium, or other licensing Officer, a written statement, showing the quantity of Tobacco which he shall have received as stock during the preceding month, and the parties from whom and the dates on which such Tobacco was received; and any licensed retail dealer, who may refuse or neglect to produce such return and statement as above provided, or who may produce a false return or statement, shall be liable to be deprived of his license by the said Commissioner of Customs, Salt, and Opium, or other licensing Officer, in addition to such fine as he may incur under this Act.

XV. Every retail dealer in Tobacco shall, on the same day on which he shall receive any Tobacco into any such shop or place of sale, enter in a book to be kept for that purpose, and in proper columns, the weight of such Tobacco, shewing the weight and also the day on which he shall receive the same, and the names of the person or persons from whom, and the place or places from which, he shall receive the same, and every such retail dealer shall keep such book in some public and open part of his licensed premises for the inspection of the Commissioner of Customs, Salt, and Opium, or any other Officer whom he may, by writing signed by him, authorize to enter the premises and inspect the same, and shall deliver such book to any such Officer on demand, and permit him to make any minute therein, or any extract therefrom, which such Officer shall think fit; and in case any retail dealer shall wilfully neglect to comply with the provisions of Sections XIV and XV of this Act,

he shall for every offence forfeit a sum not exceeding two hundred Rupees.

XVI. It shall be lawful for the Commissioner of Customs, Salt, and Opium, or other licensing Officer, at his discretion to refuse to grant or renew any license for the retail sale of Tobacco to any party applying for the same, without stating any reason for such refusal.

XVII. It shall be lawful for the Commissioner of Customs, Salt, and Opium, or other licensing Officer, to issue a special warrant under his hand and seal authorizing any public Officer to enter any building or place of deposit in which Tobacco may be deposited under the provisions of this Act, or in which such Commissioner of Customs, Salt, and Opium, or other licensing Officer, has been credibly informed that such Tobacco has been and is deposited contrary to the provisions of this Act; and for such purpose such public Officer shall have power, if necessary, to break open any doors, drawers, or other place or receptacle, or supposed receptacle, and to examine and weigh any Tobacco therein found, and to seize, remove, and take away from thence, any Tobacco or other articles subject to confiscation under this Act, and to detain the same until the case has been adjudicated as hereinafter provided.

XVIII. All Tobacco imported into the said Town, or exported thence, or there warehoused, or removed from one place of deposit to another, contrary to the provisions of this Act, or found in the possession of any party in the said Town illegally selling or offering any portion thereof for sale, shall be liable to confiscation to Government, together with every vessel in which it is contained, and every vehicle, vessel, boat, or animal employed with the consent and knowledge of the owner or his servant in conveying or containing the same. Provided always, that it shall be lawful for the adjudicating Officer to mitigate the penalty of confiscation herein provided, by commutating the same to the payment of any fine not exceeding the value of the goods liable to confiscation; and every such fine may be enforced, if necessary, by the sale of the goods liable to confiscation, and shall be paid to Government.

and warehousing of that article in the Town of Bombay. It is hereby enacted as follows:—

**I.** Chapters V, VI, VII, and VIII of Regulation XXI. 1827 of the Bombay Code, and Act XXIV of 1850, are hereby repealed, but not so as to revive any other Regulation or Act thereby repealed.

**II.** All Tobacco (except such small quantities thereof as are hereinafter mentioned) imported from any place into the Town of Bombay, shall be liable to the duty prescribed by the Acts now in force for regulating Customs, which duty is hereinafter called the Customary Duty or Duty of Custom. All Tobacco (except such small quantities thereof as are hereinafter mentioned) imported from any place into the said Town, and intended for consumption therein, shall be liable to an additional duty of seven Rupees and 8 annas per Indian maund, which duty is hereinafter called the Municipal Duty.

**IV.** If the said Municipal Duty is not paid on importation, the Tobacco shall be warehoused in a Bonded Warehouse, and the importer shall pay such duty on the said Tobacco on its removal from the Warehouse for consumption.

**V.** The Commissioner of Customs, Salt and Opium, and Officers of Customs, shall have all the same powers and authorities for collecting and enforcing payment of the said duties, in addition to the powers and authorities specified in this Act, as they now have or shall have in respect of the duties on any other Customable articles.

**VI.** It shall not be lawful, without the special permission of the Commissioner of Customs, Salt, and Opium, or other competent Officer, to bring any Tobacco or any preparation thereof into Bombay otherwise than by sea; nor to land the same at any other landing place than such as may from time to time be prescribed by proclamation by the Bombay Government.

**VII.** Sections II, III, IV, and VI of this Act shall not be applicable to Tobacco which may have already paid the duties imposed by

this Act, nor to such small quantities of Tobacco (not exceeding ten Indian seers) as the Commissioner of Customs or other competent Officer may at his discretion exempt as being intended for the personal or private consumption of the importer.

**VIII.** The port of Bombay shall, after the passing of this Act, be held to be a warehousing port within the meaning of Act XXV of 1836, so far as regards the warehousing of Tobacco, and the said Act shall be applicable to the warehousing of Tobacco in the said Town; and the Import Duty in the said Act mentioned shall, as to Tobacco, mean the Customary and Municipal Duty leviable under this Act.

**IX.** It shall not be lawful to remove any Tobacco from any place within the said Town to any other place, nor to carry or convey the same on any thoroughfare in the said Town, nor to carry the same in any vessel or boat of less than forty candies burthen in any of the creeks or waters adjacent to the said Town, without a Permit from the Commissioner of Customs, Salt, and Opium, which Permit shall be in the form of Schedule A. to this Act annexed; any such Permit shall be in force only between sunrise and sunset of the day on which it is granted. Provided always, that it shall be lawful to remove without a Permit any Tobacco so far as may be necessary for the lawful importation thereof according to the provisions of this Act, and also small quantities of Tobacco, not exceeding in weight ten Indian seers, for personal or domestic use from the shop of a retailer licensed as hereinafter provided.

**X.** The Commissioner of Customs, Salt, and Opium, shall not grant any Permit for the removal of any Tobacco from the Custom House or from a Bonded Warehouse, unless the quantity to be so removed shall be at least one Indian maund in weight, or any such less quantity as may from time to time be fixed by the Commissioner under instructions from Government; nor shall he grant a Permit for the removal, for re-exportation, of any part of an entire bale or package of Tobacco from a Bonded Warehouse. But, if application be made to remove Tobacco from bond for consumption in Bombay, the Commissioner may permit a bale or package to be opened and the part required to be removed, and the refuse, if any, to be removed and destroyed in the presence of a Government Officer, or exported, at the option of the owner; and the Municipal Duty may be remitted on the refuse so removed and destroyed, or exported.

**XI.** It shall not be lawful for any person to sell or offer for sale by retail any Tobacco in Bombay without a license for that purpose under the hand and seal of the Commissioner of Customs, Salt, and Opium, or other licensing Officer specially appointed by the Bombay Government, and the license may be in the form of Schedule (B) to this Act annexed, or to the like effect, and shall be in force for a period of twelve Calendar months from the date thereof,

The 30th August 1856.

THE following Bill was read a second time in the Legislative Council on the 30th August 1856, and was referred to a Select Committee who are to report thereon after the 3rd of December next:—

*A Bill to make better provision for the collection of Land Customs on certain Foreign Frontiers of the Presidency of Bombay.*

WHEREAS it is expedient to make better provision for the collection and management of Land Customs on certain Foreign Frontiers of the Presidency of Bombay: It is enacted as follows:—

I. Act II of 1852 is hereby repealed.

II. Duties of Customs shall be levied on goods passing by land into or out of Foreign European Settlements situated on the line of Coast within the limits of the Presidency of Bombay, at the rates prescribed in the Schedules of Act I of 1852, at the ports of that Presidency.

III. The Governor of the Presidency of Bombay in Council may declare, by notice to be published in the *Official Gazette* of that Presidency, that the territory of any Native Chief, not subject to the jurisdiction of the Courts and Civil authorities of that Presidency, shall be deemed to be Foreign Territory; and may declare goods passing into or out of such territory liable either to the duty fixed by the Schedules of Act I of 1852 for goods imported or exported at the ports of that Presidency, or to double the said duties as the Governor in Council may think fit.

IV. For the levy of Duties of Customs as above provided on goods exported by land to, or imported by land from, such Foreign Territories, Customs Stations may be established at such places as may be determined by the Governor in Council.

V. The Governor in Council may appoint such persons as he may deem fit for the control and supervision of the collection and management of the Customs payable under this Act as Collectors of Customs, or under such other designation as the said Governor in Council shall determine; the persons so appointed shall be subject to the authority and control of the Commissioner or Commissioners, for the time being, appointed under Act I of 1852, in such manner and to such extent as the said Governor in Council, from time to time, may direct.

VI. The Governor in Council may appoint all other proper persons to execute the duties of the several subordinate Offices necessary to the due management and collection of the Customs under this Act, and may require from such persons such securities for their good conduct therein as the said Governor in Council may deem necessary; and may, from time to time, transfer any part of the duties and powers of any Officer of Customs under this Act to any other Officer, in such cases and under such restrictions as the said Governor in Council may

deem fit; and every Officer of Customs appointed or employed on any duty relating to the said Customs, shall hold his Office during the pleasure of the Governor of Bombay in Council; all persons holding any Office or employment in the said Customs, at the time of the passing of this Act, shall continue to be so employed therein under this Act until duly removed therefrom.

VII. The Governor of Bombay in Council may delegate the whole or any portion of the powers with which he is invested by the preceding Section to any Commissioner appointed under Act I of 1852, or to any Collector or other Officer of Customs regularly appointed under the provisions of this Act; and all subordinate Officers of Customs, who may be appointed by such Commissioner or Collector, or other Officer of Customs, by virtue of such delegated power shall be liable to be dismissed, suspended, or fined to an extent not exceeding two months' pay, by the authority by which they were respectively appointed, subject to the control of Government, or of superior authority in the Customs Department.

VIII. The Governor in Council may prescribe, by public notice in the *Official Gazette*, by what ways goods shall be allowed to pass into or out of any such Foreign territory, as is described in Sections I and II of this Act; and after such notice, goods which may be brought to any Station established on other roads or passes than those so prescribed, shall, if provided with a certificate, be sent back, and if not provided with a certificate, shall be detained, and shall be liable to confiscation by the Collector of Customs, unless the person in charge thereof shall be able to satisfy the said Collector that his carrying them by that road or pass was from ignorance or accident.

IX. Goods unlawfully passed, or attempted to be passed unlawfully, across any Frontier guarded by Stations, between sunset and sunrise, shall be seized and confiscated.

X. Whoever intentionally obstructs any Officer, in the exercise of any powers given by this Act to such Officer, shall be liable to imprisonment for any term not exceeding six months, or a fine not exceeding one thousand Rupees, or both.

XI. Whoever offers a bribe to any Officer appointed under this Act, in order to induce such Officer to act in a manner inconsistent with his duty, shall be liable for every such offence to a fine not exceeding one thousand Rupees, or to imprisonment for any term not exceeding six months, or both.

XII. Any Officers authorized to receive money on account of the said Customs, shall grant certificates of the payment thereof; and any such certificate being delivered to an Officer at a Station established for the passing of goods, shall entitle the goods therein mentioned to cross the Frontier into or out of the East India Company's territories, provided that the goods correspond with the specification thereof contained in such certificates, and that the certificates show the

entire amount of duty leviable on those goods to have been duly paid; and if, upon examination, the goods brought to any such Station be found not to correspond with the specification entered in the certificate presented with the same, the difference shall be noted on the face of the certificate, and if the payment of duty certified therein shall not cover the entire amount of duty leviable on the goods, as ascertained at such examination, the goods shall be detained until further certificate for the difference shall be produced.

XIII. No Officer shall grant a certificate under this Act, unless a written application, according to a form to be prescribed by the Collector of Customs, shall have been made by the owner or person in charge, for permission to pass such goods; and such application shall contain a true description of the goods, with the marks, numbers, and description of the packages containing the same, and a declaration of their value. If any goods shall be passed or attempted to be passed without such an application in writing as is above described, they shall be liable to be seized and confiscated.

XIV. Goods in respect of which a certificate shall be applied for under this Act, shall be liable to confiscation if the packages in which the same may be contained shall be found not to correspond with the description of them given in the application, or if the contents thereof be found not to have been correctly described in regard to sort, quality, or quantity, or if, in or among the packages, any goods not stated in the application be found concealed or mixed up with the specified goods.

XV. The Governor in Council from time to time, by notice in the *Official Gazette*, may fix a value for any article, or number of articles, liable to duty under this Act, upon their value; and the value so fixed for such articles shall, till altered by similar notice, be taken to be the value of such articles for the purpose of levying duty on the same under this Act.

XVI. When goods liable to duty, for which a value has been fixed by such notice, or for which a fixed duty has been declared by the said Schedules, are brought to any Station where there is an Officer appointed to receive Customs Duties under this Act in a damaged state, and such damage is declared previously to the assessment of Customs on such goods, the Officer authorized to grant a certificate, or any other Officer authorized in this behalf, may make an abatement of Customs in proportion to the damage received; and, in estimating such damage, he shall be guided by such rules as the Governor of Bombay in Council may from time to time determine and notify; but, if the value of the goods be not determined more than one-fifth part thereof, no abatement of Customs shall be allowed.

XVII. When goods liable to duty, for which a value has not been fixed by such a notice as is above directed, or for which a fixed duty has not been declared by the said Schedules, are brought to any such Station as in the last preceding Section mentioned,

the duty leviable on such goods shall be levied according to the market value of such goods.

**XVIII.** The market value for assessment of duties on the goods indicated in the preceding Section shall be that declared in the application to be made as aforesaid.

**Provided always,** that the value so declared be admitted by the Officer appointed to appraise goods; but,

**Provided,** if the value of the whole or any part of the goods entered in the declaration shall seem to such Officer to be under-stated in such declaration, he shall have power to take the goods, or any part thereof, as purchased for the Government at the price so declared; and whenever he shall so take goods for the Government, payment thereof shall be made for the same within one month from the date of the declaration, and the Officer shall sell the goods so taken on account of Government; and, if they shall realize on sale a sum exceeding all charges incurred on them by Government, a proportion not more than one-half of the excess shall, at the discretion of the Collector, be payable to the Officer who reported the under-valuation of the goods; who shall in like manner be liable to pay one-half of the net loss that may accrue on the sale of the said goods.

**XIX.** No goods entered in either of the said Schedules as liable to duty, shall be exempted from the

**Exemptions.** payment of such duty or of any part thereof, except under special order from the Governor in Council; and every Officer at a Station established on any road by which goods may be passed into or out of any such Foreign territory, shall detain all goods subject to duty under this Act until such duty shall have been duly paid: **Provided always,** that such Officer may, at his discretion, pass free of duty any passenger's personal baggage in actual use; and if any person shall apply to have goods passed as such baggage, the Officer acting under the orders of Government shall determine whether they be passenger's personal baggage in actual use, or goods subject to duty under the provisions of this Act.

**XX.** No certificate shall be received at any Station that shall bear date more than thirty days before the date when the goods arrived at such Station; but any person, who has

**Certificate to be in form for thirty days.** taken out a certificate from any authorized receiver of Customs in India, shall be entitled, at any time within the said period of thirty days, on satisfying such receiver that such certificate has not been used, and on delivering up the original, to receive a renewed certificate with a fresh date without further payment of duty.

**XXI.** If any certificate, or other Custom-house documents, be lost by any person to whom they may have been issued by the Officer authorized to issue the same, the Collector of Customs, on being satisfied that no fraud has been committed or was intended, may grant a duplicate of such lost document upon payment of a fee of not less than one Rupee, nor exceeding ten Rupees; and further, the Collector may authorize any amendment to be made in any application made under this Act, but, if such amendment be required after such application is entered and recorded in the Custom-house books, then upon payment of a like fee for any document so entered.

**Granting duplicate of lost document.**

authorized to issue the same, the Collector of Customs, on being satisfied that no fraud has been committed or was intended, may grant a duplicate of such lost document upon payment of a fee of not less than one Rupee, nor exceeding ten Rupees; and further, the Collector may authorize any amendment to be made in any application made under this Act, but, if such amendment be required after such application is entered and recorded in the Custom-house books, then upon payment of a like fee for any document so entered.

**XXII.** Whoever counterfeits or falsifies, or wilfully uses when counterfeit-ed or falsified, any certificate of payment or any document for the purpose of passing, or having Customs Duties assessed on, any goods under this Act, shall be liable to a fine not exceeding one thousand Rupees.

**XXIII.** If any person in charge of, or owning, goods passing into or out of any such Foreign territory, shall have become liable to any fine on account of any act or omission relating to the Customs, any Officer in charge of a Station may detain such goods until the fine is discharged.

**XXIV.** Any Officer at a Station established on any road by which goods may be passed into or out of any such Foreign territory, shall have power to detain goods and to examine the quantities and kinds thereof, in order to ascertain that such goods are covered by a sufficient certificate.

**XXV.** Any Station Officer who shall permit goods to pass across the Frontier, when not covered by a sufficient certificate, or who shall permit goods to pass by any road or pass other than the prescribed ways, shall be liable, on conviction before a Magistrate, to imprisonment for any term not exceeding six months and to a fine not exceeding five hundred Rupees, commutable, if not paid, to imprisonment for a further period of six months.

**XXVI.** Any Station Officer who shall need- lessly and vexatiously injure goods under the pretence of examination, or in the course of his examination, or who shall wrongfully detain goods for which there is produced a sufficient certificate, shall, on conviction before any Magistrate, be liable to imprisonment for any term not exceeding six months, and to a fine not exceeding five hundred Rupees, commutable, if not paid, to imprisonment for a further period of six months.

**XXVII.** All fines, for the recovery of which no special provision is herein- before made, may be recovered on conviction of the offender before a Magistrate or other person competent to adjudicate on the offences, and payment thereof may be enforced under Act II of 1839.

**XXVIII.** All penalties under this Act, except those specified in any judicial award of the Collector or other adjudicating Officer, as provided for in Section XXX of this Act, shall be adjudged and determined by the Officiating Magistrate of the place where the offence shall have been committed; and any Collector being a Justice of the Peace, or Deputy or Assistant Collector authorized in such behalf by his superior and being a Justice of the Peace, may take informations and depositions on oath or solemn affirmation or declaration touching any matters involving a breach of any of the provisions of this Act; and, if taken in the presence of the party or parties charged with such breach, the same shall be received in evidence by such Magistrate in the like manner and to the same extent as if taken before him, and shall be deemed sufficient for him to adjudicate thereon: but

XXIX. In all cases in which, under this Act, goods are liable to confiscation, and in all cases in which, under this Act, any person being the owner or in charge of goods, is liable to a penalty, the Commissioner or Commissioners appointed under Act I of 1852, or a Collector of Customs appointed under this Act, may adjudicate such confiscation or such penalty, or the same may be adjudged by a Deputy or by an Assistant Collector of Customs appointed under this Act being a Justice of the Peace: Provided that the power to adjudicate confiscation shall not extend as regards a Deputy Collector to goods beyond the value of one thousand Rupees, nor as regards an Assistant Collector to goods beyond the value of one hundred Rupees, nor shall any Deputy Collector impose any fine beyond the amount of fifty Rupees, nor any Assistant Collector beyond the amount of ten Rupees; and all cases adjudicated by a Deputy or Assistant Collector shall be liable to revision by a Collector of Customs on appeal.

XXXI. Any Officer, authorized to adjudicate Customs cases, if he shall decide that a seizure of goods made under the authority of this Act was vexatious and unnecessary, may adjudge damages to be paid to the owner by the Officer who made such seizure, beside ordering the immediate release of the goods; and if the owner accepts such damages, no action shall thereafter lie against such Officer in any Court of Justice, on account of such seizure; and if such adjudicating Officer shall decide that the seizure was warranted, but shall deem that the penalty of confiscation is unduly severe, he may mitigate the same by levying on the goods so seized as aforesaid, any portion of the market value of such goods not less than one-tenth of such value; and if the said Officer adjudges confiscation, or any penalty in mitigation of confiscation, he may order that, from the sale of the goods, or from the proceeds of any penalty inflicted in mitigation of confiscation, a proportion not exceeding, in all cases of seizure except seizures of Salt or Tobacco, one-half of the sum remaining after payment of all Government demands, shall be distributed in rewards amongst such Officers as he deems entitled thereto, and in such proportion as he directs to each respectively; but in awarding rewards for the seizure of confiscated Salt or Tobacco, he may award one-half of the proceeds of sale, without making any deduction on account of Government demands.

**Madras Exhibition of 1857.****NOTIFICATION.**

THE Right Honorable the President and Members of the Committee for the Madras Exhibition of 1857 have the honor to announce, that Articles from all Countries will be admitted to the Madras Exhibition, to be held in the beginning of 1857, and be allowed to compete for Prizes; but, with a view to promote the good of this Country, it is hereby notified that Money Prizes, Medals, &c. will

only be given for Articles capable of being applied in the Arts and Manufactures of India, or calculated to be of use to its people.

It will be necessary that each Local Committee attend to the following points:—Each Article sent for Exhibition must be (1) distinctly labelled, and the label must (2) set forth the district or locality from which the Article is sent; (3) the name of the Exhibitor; and (4) the price of the Article. Each Local Committee will also state in their Invoice List, how each article they send is to be disposed of at the close of the Exhibition, in the event of its not having been sold for the price put upon it by the Exhibitor.

The several Local Committees will consider themselves at liberty to add to their numbers such influential Natives of their District as they may consider likely to aid them in promoting the objects in view.

It would greatly facilitate the accurate performance of the duties of the General Committee if the Local Committees and the Exhibitors when addressing communications on the subject of the Exhibition would adhere to the official form of communication; or, in case of the non-official or private form being adopted, if they would so mark the letter, or such portions of it, in case of the letter being of a mixed nature, as may be intended to be private or non-official.

Secretary, Madras Exhibition.

**X.** Whoever intentionally obstructs any Officer, in the exercise of any powers given by this Act to such Officer, shall be liable to imprisonment for any term not exceeding six months, or a fine not exceeding one thousand Rupees, or both.

**XIII.** No Officer shall grant a certificate under this Act, unless a written application, according to a form to be prescribed by the Collector of Customs, shall have been made by the owner or person in charge, for permission to pass such goods; and such application shall contain a true description of the goods, with the marks, numbers, and description of the packages con-

taining the same, and a declaration of their value. If any goods shall be passed or attempted to be passed without such an application in writing as is above described, they shall be liable to be seized and confiscated.

**XV.** The Governor in Council from time to time, by notice in the *Official Gazette*, may fix a value for any article, or number of articles, liable to duty under this Act, upon their value; and the value so fixed for such articles shall, till altered by similar notice, be taken to be the value of such articles for the purpose of levying duty on the same under this Act.

**XVI.** When goods liable to duty, for which a value has been fixed by such notice, or for which a fixed duty has been declared by the said Schedules, are brought to any Station where there is an Officer appointed to receive Customs Duties under this Act in a damaged state, and such damage is declared previously to the assessment of Customs on such goods, the Officer authorized to grant a certificate, or any other Officer authorized in this behalf, may make an abatement of Customs in proportion to the damage received; and, in estimating such damage, he shall be guided by such rules as the Governor of Bombay in Council may from time to time determine and notify; but, if the value of the goods be not determined more than one-fifth part thereof, no abatement of Customs shall be allowed.

**XVII.** When goods liable to duty, for which a value has not been fixed by such a notice as is above directed, or for which a fixed duty has not been declared by the said Schedules, are brought to any such Station as in the last preceding Section mentioned, the duty leviable on such goods shall be levied according to the market value of such goods.

**XVIII.** The market value for assessment of duties on the goods indicated in the preceding Section shall be that declared in the application to be made as aforesaid. Provided always, that the value so declared be admitted by the Officer appointed to appraise goods; but if the value of the whole or any part of the goods entered in the declaration shall seem to such Officer to be under-stated in such declaration, he shall have power to take the goods, or any part thereof, as purchased for the Government at the price so declared; and whenever he shall so take goods for the Government, payment thereof shall be made for the same within one month from the date of the declaration, and the Officer shall sell the goods so taken on account of Government; and, if they shall realize on sale a sum exceeding

all charges incurred on them by Government, a proportion not more than one-half of the excess shall, at the discretion of the Collector, be payable to the Officer who reported the under-valuation of the goods; who shall in like manner be liable to pay one-half of the net loss that may accrue on the sale of the said goods.

**XIX.** No goods entered in either of the said Schedules as liable to duty, shall be exempted from the payment of such duty or of any part thereof, except under special order from the Governor in Council; and every Officer at a Station established on any road by which goods may be passed into or out of any such Foreign territory, shall detain all goods subject to duty under this Act until such duty shall have been duly paid. Provided always, that such Officer may, at his discretion, pass free of duty any passenger's personal baggage in actual use; and if any person shall apply to have goods passed as such baggage, the Officer acting under the orders of Government shall determine whether they be passenger's personal baggage in actual use, or goods subject to duty under the provisions of this Act.

**XX.** No certificate shall be received at any Station that shall bear date more than thirty days before the date when the goods arrived, at such Station; but any person, who has taken out a certificate from any authorized receiver of Customs Duties, shall be entitled, at any time within the said period of thirty days, on satisfying such receiver that such certificate has not been used, and on delivering up the original, to receive a renewed certificate with a fresh date without further payment of duty.

**XXI.** If any certificate, or other Custom-house documents, be lost by any person to whom they may have been issued by the Officer authorized to issue the same, the Collector of Customs, on being satisfied that no fraud has been committed or was intended, may grant a duplicate of such lost document upon payment of a fee of not less than one Rupee, nor exceeding ten Rupees; and further, the Collector may authorize any amendment to be made in any application made under this Act, but, if such amendment be required after such application is entered and recorded in the Custom-house books, then upon payment of a like fee for any document so entered.

**XXVI.** Any Station Officer who shall needlessly and vexatiously injure goods under the pretence of examination, or in the course of his examination, or who shall wrongfully detain goods for which there is produced a sufficient certificate, shall, on conviction before any Magistrate, be liable to imprisonment for any term not exceeding six months, and to a fine not exceeding five hundred Rupees, commutable, if not paid, to imprisonment for a further period of six months.

**XXVII.** All fines, for the recovery of which no special provision is herein-before made, may be recovered on conviction of the offender before a Magistrate or other person competent to adjudicate on the offences, and payment thereof may be enforced under Act II of 1839.

**XXVIII.** All penalties under this Act, except those specified in any judicial award of the Collector or other adjudicating Officer, as provided for in Section XXX of this Act, shall be adjudged and determined by the Officiating Magistrate of the place where the offence shall have been committed; and any Collector being a Justice of the Peace, or Deputy or Assistant Collector authorized in such behalf by his superior and being a Justice of the Peace, may take informations and depositions on oath or solemn affirmation or declaration touching any matters involving a breach of any of the provisions of this Act; and, if taken in the presence of the party or parties charged with such breach, the same shall be received in evidence by such Magistrate in the like manner and to the same extent as if taken before him, and shall be deemed sufficient for him to adjudicate thereon: but nothing herein contained shall prevent such Magistrate from taking any information or deposition afresh, or from taking other and further depositions in the matter, if he think fit.

**XXIX.** In all cases in which, under this Act, goods are liable to confiscation, and in all cases in which, under this Act, any person being the owner or in charge of goods, is liable to a penalty, the Commissioner or Commissioner appointed under Act I of 1852, or a Collector of Customs appointed under this Act, may adjudicate such confiscation or such penalty, or the same may be adjudged by a Deputy or by an Assistant Collector of Customs appointed under this Act being a Justice of the Peace: Provided that the power to adjudicate confiscation shall not extend as regards a Deputy Collector to goods beyond the value of one thousand Rupees, nor as regards an Assistant Collector to goods beyond the value of one hundred Rupees, nor shall any Deputy Col-

### Madras Exhibition of 1857.

#### NOTIFICATION.

THE Right Honorable the President and Members of the Committee for the Madras Exhibition of 1857 have the honor to announce, that Articles from all Countries will be admitted to the Madras Exhibition, to be held in the beginning of 1857, and be allowed to compete for Prizes; but, with a view to promote the good of this Country, it is hereby notified that Money Prizes, Medals, &c. will only be given for Articles capable of being applied in the Arts and Manufactures of India, or calculated to be of use to its people.

It will be necessary that each Local Committee attend to the following points:—Each Article sent for Exhibition must be (1) distinctly labelled, and the label must (2) set forth the district or locality from which the Article is sent; (3) the name of the Exhibitor; and (4) the price of the Article. Each Local Committee will also state in their Invoice List, how each article they send is to be disposed of at the close of the Exhibition, in the event of its not having been sold for the price put upon it by the Exhibitor.

The several Local Committees will consider themselves at liberty to add to their numbers such influential Natives of their District as they may consider likely to aid them in promoting the objects in view.

It would greatly facilitate the accurate performance of the duties of the General Committee if the Local Committees and the Exhibitors when addressing communications on the subject of the Exhibition would adhere to the official form of communication; or, in case of the non-official or private form being adopted, if they would so mark the letter, or such portions of it, in case of the letter being of a mixed nature, as may be intended to be private or non-official.
